

Gerrit Grijpstra

Kerkplein 4 • 8899 AW Vlieland • The Netherlands
Born 31-01-1965 • Nationality Dutch
CELL +31(0) 657 33 73 43 • E-MAIL info@lmcvlieland.nl

PROFILE An ambitious seaman, that by hard work and studies, grown from Cook/AB on beam trawlers in the fishing industry, a multipurpose seaman, senior DPO, tugboat/multicat skipper, captain DSV's/PSV's to superintendent in offshore. Specialized in building offshore windmills and the laying and trenching of infield and export cables.

By the fact that Gerrit is born on an island in one of the most beautiful and vulnerable areas in the world, he became the man he is: a very responsible, modern seaman with respect for the environment he is working in.

.....

AND My children are my everything and next to that the Island Vlieland, where I live. I love to spend time with my family and being on the Island where I catch and prepare almost everything that the sea gives.

Next to that I organize excursions for tourists and fellow Vlielanders to the most beautiful place in the world: the Waddensea.
